## 5. Decline my place

Introduced in 2019, Decline my place is a tool which allows 'placed' applicants to release themselves into Clearing. Once Clearing opens, applicants who are holding a firm unconditional place can use the 'Decline my place' button in their application if they no longer want to go to their firm choice. Once an applicant has declined their place, they release themselves into the Clearing process, and are free to be placed through Clearing. To find out more about how Decline my place works, please see the following: [www.ucas.com/applying/after-you-apply/clearing-and-results-day/results-day/declining-your-firm-place](http://www.ucas.com/applying/after-you-apply/clearing-and-results-day/results-day/declining-your-firm-place).

## 6. Clearing Plus

Introduced in 2020, Clearing Plus is a tool which allows 'unplaced' applicants to find tailored course matches in Clearing. It is available once Clearing opens and can be used by those who have been unsuccessful in the main scheme or are applying directly to Clearing. Applicants can register interest in their matched courses which notifies the relevant provider(s) that the applicant would like to be considered for a place. To find out more about how Clearing Plus works, please see the following:

[www.ucas.com/applying/after-you-apply/clearing-and-results-day/what-clearing/your-clearing-matches.](http://www.ucas.com/applying/after-you-apply/clearing-and-results-day/what-clearing/your-clearing-matches)

## Technical notes and definitions

### Applicant

A person who has made an application in the UCAS system during the cycle reported. This includes those who submit applications for deferred entry.

### Acceptance / Placed applicant

An applicant who at the end of the cycle has been placed for entry into higher education.

### Acceptance rate

The number of acceptances divided by the number of applicants.

### Withdrawn

An applicant who no longer wishes to be considered for a place and completely withdraws their application.

### Main scheme

The main UCAS application scheme through which up to five providers/courses can be applied to. This opens in September and closes to new applications on 30 June the following year.

### Direct to Clearing

Applicants who register to apply after 30 June. Applicants cannot make parallel applications through this route - only one application will be active at a given point in time.

### Deferred

An application for deferred entry. Most applications are into the academic year that starts immediately at the end of the application cycle.

### Deadline

One of key application deadlines during the UCAS application cycle. May be: 15 October for medicine and dentistry courses or applications to Oxford or Cambridge; the equal consideration deadline (ECD) in January for most undergraduate courses; 30 June for any other main scheme choices. Applicants who apply after 30 June can only enter directly into Clearing.

### Choice

An applicant's application to a course at a provider.

### Offers (Choice level)

The number of main scheme applicant choices which have received an offer as captured at 30 June deadline.

### Offers (Applicant level)

The number of main scheme applicants holding at least one offer as captured at 30 June deadline.

### Offer Rate (Applicant level)

The number of main scheme applicants holding at least one offer divided by the number of main scheme applicants as captured at 30 June deadline.

### Offer Rate (Choice level)

The number of main scheme applicant choices which have received an offer divided by the number of main scheme applicant choices as captured at 30 June deadline.

## **Provider decision**

Applications are referred to providers who consider the application and return a decision. The decision can be to make an offer (conditional or unconditional) or to reject the application. Applications that are yet to receive a decision are classified as 'Other'. In this report, if an application is withdrawn, it is classified as 'Reject'.

## **Reply**

When an applicant receives an offer to their application, they may respond by setting the offer as the 'Firm' choice, 'Insurance', or to 'decline' the offer. If an applicant received at least one offer, they may choose at most one to be their Firm, at most one to be their Insurance choice if they have at least two offers, and other offers must be declined.

## **Acceptance route**

Firm Choice, Insurance choice, Main Scheme Clearing, Direct Clearing, Adjustment, Extra, Other Main Scheme Choice

### **Firm Choice**

The applicant was accepted to their first choice. In order to be defined as placed at their firm choice, an applicant must have been placed at the provider with which they hold their firm choice at 30 June.

### **Insurance Choice**

The applicant was accepted to their second choice. In order to be defined as placed at their insurance choice, an applicant must have been placed at the provider with which they hold their insurance choice at 30 June.

### **Other Main Scheme Choice**

An applicant who applied by 30 June and was accepted to a main scheme choice but had not responded, or was awaiting an offer, at 30 June.

### **Main Scheme Clearing**

An applicant was unsuccessful in the main scheme (i.e. applied before 30 June) and subsequently found a place using Clearing.

### **Direct Clearing**

An applicant who applied via Clearing without an initial application through the main scheme.

### **Adjustment**

A route where applicants who have met and exceeded the conditions of their firm choice choose to take up an alternative offer

### **Extra**

A route where applicants who held no offers after using all of their main scheme choices, make additional choices.

### **Decline My Place**

Introduced in 2019, Decline my place is a tool which allows 'placed' applicants to release themselves into Clearing. Once Clearing opens, applicants who are holding a firm unconditional place can use the 'Decline my place' button in their application if they no longer want to go to their firm choice. Once an applicant has declined their place, they release themselves into the Clearing process, and are free to be placed through Clearing. To find out more about how Decline my place works, please see the following: [www.ucas.com/applying/after-you-apply/clearing-and-results-day/results-day/declining-your-firm-place](http://www.ucas.com/applying/after-you-apply/clearing-and-results-day/results-day/declining-your-firm-place).

## **Clearing Plus**

Introduced in 2020, Clearing Plus is a tool which allows 'unplaced' applicants to find tailored course matches in Clearing. It is available once Clearing opens and can be used by those who have been unsuccessful in the main scheme or are applying directly to Clearing. Applicants can register interest in their matched courses which notifies the relevant provider(s) that the applicant would like to be considered for a place. To find out more about how Clearing Plus works, please see the following:

## **Provider tariff group**

The grouping of providers based on the average levels of attainment of their accepted applicants (summarised through UCAS Tariff points) in a period of application cycles spanning from 2004 to 2011. Each group of providers accounted for around a third of all UK 18 year old acceptances in these cycles, with the following categories: 'Higher tariff', 'Medium tariff' and 'Lower tariff'.

## **Mission Group**

For further information on mission groups, please refer to the following document:

<https://www.ucas.com/file/642566/download?token=WH5IEHa5>

## **Qualification**

Indicates if an applicant has achieved the specified qualification or combination (at least one) as identified either on application or through Awarding Body Linkage process. Please note: This flag is not updated beyond the end of the application cycle for each applicant (i.e. if an applicant applied in the 2017 cycle without achieving an A level, but went on to obtain this qualification in 2018, the value for the applicant applying in 2017 would remain 'A level qualification not identified').

## **Estranged students**

An estranged person is someone who no longer has the support of either of their parents, and often also other family members, due to a permanent breakdown in their relationship which has led to ceased contact. This might mean biological, step or adoptive parents or wider family members who have been responsible for supporting them in the past.

## **Students with unpaid caring responsibilities**

A carer is anyone who has a commitment to providing unpaid care to a family member or friend who could not cope without their support - or intends to provide this support. This may include taking care of a sibling when a parent is unable to do so due to their health needs.

## **Students with parenting responsibilities**

This can cover if a student is responsible for the care and wellbeing of a child aged 17 or under. This might mean they are a biological parent, step parent, adoptive or legal parent, a legally appointed guardian, a foster carer or someone who provides kinship or other parental care to the child of a family member or friend.

## **Students with a parent or carer who currently serves in the UK Armed Forces**

Students who have a parent who currently serves in the regular UK Armed Forces or as a reservist, or has done so at any point during the first 25 years of their life.

## **Students who have served in the UK Armed Forces**

Students who have served as a Regular or Reservist in the UK Armed Forces (including: the Royal Navy, Royal Marines, British Army, Royal Air Force, or Merchant Mariners who have seen duty on military operations).

## **Students with official refugee status/limited leave to remain/seeking asylum**

In the UK, a refugee is a person who has fled their country, and is seeking protection because of a fear of being persecuted due to their race, religion, nationality, membership of a particular social group, or political opinion. An asylum seeker is someone who has applied for refugee status and is waiting to find out if it has been granted.

## **Students eligible for free school meals (FSM)**

Young people in the UK are usually eligible for free school meals if their parents or carers are on a low income or in receipt of certain benefits.

## **Disabled students**

A disabled student can mean any student with a physical and/or mental health condition, long-term illness, or learning difference they live with.

## **Care-experienced students**

Being care experienced means someone will have spent time living with foster carers under local authority care, in residential care (e.g. a children's home), looked after at home under a supervision order, or in kinship care with relatives or friends, either officially (e.g. a special guardianship order) or informally without local authority support.

## **CAH1 subject group**

Common aggregation hierarchy 1, the classification used to categorise HECoS course subject codes into 21 subject groups. A course may be associated with up to 5 individual subject codes each with a respective percentage weight. Summing these weightings can create fractions of offers and applications which, when rounded, may be different to the totals seen elsewhere in the report. For more information about HECoS and the common aggregation hierarchy, go to [www.hesa.ac.uk/support/documentation/hecos](http://www.hesa.ac.uk/support/documentation/hecos).

## **CAH3 subject Group**

Common aggregation hierarchy 3, the classification used to categorise HECoS course subject codes into 167 subject groups. A course may be associated with up to 5 individual subject codes each with a respective percentage weight. Summing these weightings can create fractions of offers and applications which, when rounded, may be different to the totals seen elsewhere in the report. For more information about HECoS and the common aggregation hierarchy, go to [www.hesa.ac.uk/support/documentation/hecos](http://www.hesa.ac.uk/support/documentation/hecos).
