## **Dos when writing your personal statement**

- Do use your best English and don't let spelling and grammatical errors spoil your statement.**
- Do show that you know your strengths and can outline your ideas clearly.**
- Do be enthusiastic – if you show your interest in the course, it may help you get a place.**
- Do expect to produce several drafts of your personal statement before being totally happy with it.**
- Do ask people you trust for their feedback.**

## **Don'ts when writing your personal statement**

- Don't exaggerate – if you do you may get caught out at interview when asked to elaborate on an interesting achievement.**
- Don't rely on a spellchecker as it will not pick up everything – proofread as many times as possible.**
- Don't leave it to the last minute – your statement will seem rushed and important information could be left out.**
